

AxisTech W51 Water Pressure Sensor Data Sheet

Solar powered water pressure sensor

Specifications

Specifications	
Model	AxisTech W51 Water Pressure Sensor
Housing	ABS/Polycarbonate plastic Rated IP67 water and dustproof 137 x 72 x 30 mm
Sensor	Pressure range: 0-20 bar Optional: 1A relay output for solenoid control
Power	Solar with Li battery backup
Connectivity	Sigfox, 4G/LTE/CatM1/ NB-IoT (5G-ready), Satellite
